CONTENTS

BRITONS AND INVADERS UP TO 1066

Introduction

Timeline

Britain's First People

Arrival of first human-like species in Britain and colonization by modern humans around 15,000 years ago.

Stone Age Britain

Settlers build stone monuments and agriculture develops.

STONEHENGE

Iron Age Britain

Warrior elites in hill-forts dominate Britain, maintaining strong links with Europe and producing art of great beauty.

Caesar's Invasion

Julius Caesar establishes treaty relations with British tribes, drawing Britain into the orbit of Roman political ambitions.

Conquest and Resistance

The Romans, under Emperor Claudius, conquer much of Britain, despite bitter resistance in Wales and the north of England.

HADRIAN'S WALL

A Distant Province

Much of Roman Britain prospers as towns grow and roads encourage trade and communication.

Outside the Empire

By the 5th century, communities in Ireland and remote parts of Scotland lay the foundations of independent kingdoms.

Life in Roman Britain

Rome profoundly affects British life with its military organization, urban lifestyle, new religious beliefs, and novel foods.

End of Empire

In 410 CE, Roman rule over Britain comes to an end, leaving Britain exposed and at the mercy of Germanic barbarians.

THE SUTTON HOO SHIP BURIAL

Holy Ireland

8 Rapid growth in Ireland's Christian Church in the 5th century, as abbots of the main monasteries become powerful and send missionaries abroad.

10

12

Anglo-Saxon Rulers

14 Between the 5th and 8th centuries, Anglo-Saxon invaders establish the powerful kingdoms of Mercia, Northumbria, and Wessex.

FRANKS CASKET

16

Christian England

Missionaries sent by Pope Gregory I convert Anglo-Saxons to Christianity, transforming England into a vibrant and thriving Christian culture, largely based in monasteries.

18

20

Viking Raiders and Settlers

Anglo-Saxon kingdoms succumb to Viking raiders, armies, and settlers, leaving Wessex to stand alone, weak and beleaguered.

22

BOOK OF KELLS

ALFRED THE GREAT

24

Wessex Takes the Lead

In the 10th century, several able kings of Wessex progressively conquer Viking-held areas of England, uniting the country as far north as the border with Scotland, and becoming kings of the English.

26

Ireland in the Viking Age

28 From their port-enclaves in Ireland, the Vikings, without conquering the country, play a major role in shaping Irish culture.

30

Triumph of the Danes

At the turn of the first millennium, the Danes successfully invade England and take over the throne for a quarter of a century.

Independent Realms

In the 9th and 10th centuries, Scotland is more successful than Wales at achieving unity and independence from England.

King Edward's World

Edward the Confessor struggles to contain the country's internal tensions.

MEDIEVAL BRITAIN

1066–1485

Introduction

Timeline

Norman Conquest

William the Conqueror installs an Anglo-Norman rule, introduces a feudal society, and reshapes England.

BATTLE OF HASTINGS

Norman Realm

Henry I's reign manages to establish the institutional bureaucracy that realizes the Norman kings' desire to dominate their new realm.

DOMESDAY BOOK

Reign of a Powerful King

King Henry II fights the Church and his sons, conquers Ireland, and reforms the English legal system.

MURDER IN THE CATHEDRAL

Invasion of Ireland

Irish infighting opens the way for Henry II to move in and establish English rule over Ireland.

England in the Crusades

Richard I and other kings of England embark on a series of crusades, as they heed papal calls to regain Jerusalem and the Holy Land.

Challenging Royal Authority

Royal concessions to the barons of England lead to a Parliament that has to approve any new taxes the monarch wishes to levy.

MAGNA CARTA

A Prosperous Realm

In the 12th and 13th centuries, England prospers, which improves the social and economic life of some of the people.

Subduing Wales

The powerful princes of Gwynedd try to create an independent Wales, but Edward I subdues them.

Scotland's Independence Struggle

Led by Edward I, an English invasion to crush the Scots ends in failure as Robert the Bruce and his army expel the occupiers.

BATTLE OF BANNOCKBURN

62

Hundred Years' War Begins

64

The English and the French fight over the throne of France, starting a series of costly wars that will last more than a century.

66

Knights and Bowmen

During the medieval period, advances in infantry warfare throw a challenge to the central role of heavily armored cavalry.

BATTLE OF CRÉCY

72

The Black Death

A deadly infection wipes out half of the population within a year, causing profound social changes.

74

The Peasants' Revolt

A heavy poll tax causes many people to rebel against king and government, but the killing of the rebel leaders brings the revolt to an end.

76

LUTTRELL PSALTER

Religious Enthusiasm

78

Monasteries and pilgrimage play a major role in English life, though religious reformers are brutally suppressed.

80

Poets of the People

Geoffrey Chaucer pioneers vernacular writing in a form of English, poetically revealing everyday contemporary life in his *Canterbury Tales*.

82

ELY CATHEDRAL

Change of Dynasty

As Richard II is deposed, a new Lancastrian dynasty under Henry IV lays the seeds of a conflict that would burst into civil war.

84

Invasion and Revolt

In the 15th century, Scotland proves to be far more troublesome for England than Wales, except for the revolt of Owain Glyndwr.

86

The Later Hundred Years' War

Henry V's bid for the French throne almost succeeds after Agincourt, but a French revival sees the English kings lose almost all their lands in France.

Merchants and Guilds

Craftsmen and tradesmen form guilds in British cities and towns during the prosperous but sometimes turbulent 15th century.

88

The Wars of the Roses

The houses of Lancaster and York embark on a long period of civil strife as they fight bitterly for the throne of England.

90

MEDIEVAL WEAPONS

TUDORS AND STUARTS

1485–1688

Introduction

Timeline

The Early Tudors

Henry Tudor centralizes the state and concentrates power on the monarchy, an enduring legacy he passes on to his successors.

110

HENRY VIII

Religious Upheaval

The Protestant Reformation of the Church radically changes the lives of the British people, both religiously and culturally. The spirit of theological self-reliance changes the political landscape as well.

112

Scottish Troubles

The tragic life of Mary, Queen of Scots, epitomizes the dangers Scottish power struggles posed to the English monarchy.

114

ELIZABETH I

116

English Society under the Tudors

The country prospers as trade and agriculture flourish, but in the rapidly expanding cities hunger and crime stalk the streets.

118

TUDOR LIFE

Sailors and Privateers

Inspired by the skill and daring of several English seafarers, the Royal Navy is founded and British naval power expands with a renewed spirit of exploration and discovery.

120

The War with Spain

England battles remorselessly with her Spanish foe, finally overcoming its fearful shadow and ushering in a golden age.

122

THE DEFEAT OF THE SPANISH ARMADA

The English Renaissance

Arts and philosophy flourish, with great theater, wonderful music, evocative poetry, striking Tudor portraits, and far-reaching humanist thinking.

124

WILLIAM SHAKESPEARE

Conquest and Plantation

English power savagely puts down several fierce revolts in Ireland, followed by colonization and settlement in the north of the country, which sets the stage for future conflicts.

126

The Union of the Crowns

James I's accession effectively unites the kingdoms of Great Britain under the rule of a Scottish dynasty, the House of Stuart.

128

THE GUNPOWDER PLOT

130
